It's an exclusive summer highlight ...
for the best and brightest youth in the state ...
and a chance for you to make lifelong friendships.

Be one of the few to experience ...

DC Live!

This early-summer getaway is no ordinary bus ride. As you become a road warrior on your trip to the nation's capital, you'll make new friends, see sites you've only read about and meet lawmakers who are deciding your future. You will spend a day on Capitol Hill, have lunch with your Congressman and visit your senators ... and maybe see the President. You will graduate from high school and move on to college with a new understanding of your country.
