June 2011

10th Annual

Rock Energy Family Night at the Ballpark Saturday, June 25

Co-sponsored by Touchstone Energy Cooperatives

- Beloit Snappers vs. Cedar Rapids Kernels game starts at 7 p.m.
 - Gates open at 6, and the first 30 kids win a special gift.
(Must be accompanied by adult member.)
 - Come early for player autographs before the first pitch.
 - Stay late for spectacular fireworks after the game.

Tickets are \$2 each (\$6.50 value) and must be purchased in advance at either REC office: 2815 Kennedy Road, Janesville, or 15229 Willowbrook Road, South Beloit.

Special Rock Energy foam seat cushions are available for \$3 each or 2 for \$5. Take them with you to Snappers games and other sporting events. They're also great for gardening, auto work, and other household chores.

On June 25, show your Co-op Connections Card to buy food vouchers at the ballpark. Get a hot dog, chips, and soda or pizza and soda for just \$2. If you don't have a card, stop at either Rock Energy office location to get yours free!

Give Your Home an Energy Vacation

Going on vacation? Even if you plan to be away just a few days, you can save energy in your home when you travel.

Here's a tip from Rock Energy Cooperative and Touchstone Energy Cooperatives that can give your utility bill a break when you take a break.

Water heater. Turn down the temperature, so it doesn't keep the water warm while you are away.

Thermostat. During hot weather, turn up the thermostat on your air conditioning system. That way, you'll save energy while ensuring that your home doesn't get too warm.

Refrigerator. Depending on food stored in your fridge, you may be able to turn the thermostat as high as 38 degrees without risking spoilage. Storing water-filled bottles in your refrigerator can prevent temperature fluctuations, which will save energy.

Freezer. Food in the freezer compartment will stay frozen if the temperature remains at minus 5 degrees.

Lights. Turn off all lights in your home. You may want to install timers on one or two lights for security.

Electronics. Unless you're recording something while away, unplug all of your electronic devices—computer,

monitor and printer, TV and cable boxes, DVD player, microwave, and digital clocks.

Any electronics with digital displays, instant-on features, or remote controls will consume energy even if they're not in use.

You can find these energy-savings tips and others at TogetherWeSave.com, Touchstone Energy's national campaign that encourages co-op members like you to make small changes that add up to big savings.

Happy Independence Day!

Rock Energy Cooperative offices will be closed on Monday, July 4, in observance of Independence Day. We will reopen at 7:30 a.m. Tuesday, July 5.

Members can make payments in the drop boxes at both offices throughout the holiday weekend.

Even though our offices are closed, standby crews are always available 24 hours a day. If you need to report a power outage, please call (608) 752-4550 or toll-free (866) 752-4550.
