Electronics

Keep Emergency
Kit Handy

Prepare for a
Power Outage

Food & Water Supply
for at Least 3 Days

Storm Coming?
Seek Shelter

Storm season is in full swing. Many summer storms have the potential to produce severe thunderstorms and even tornadoes, which can happen anytime, anywhere.

So, make sure to be prepared and put together supplies for an emergency kit. Your emergency preparedness kit should include items such as enough water and food for three days, flashlight, batteries, blankets, and a first aid kit. If you have outdoor plans, check the forecast and hazardous weather outlook regularly, and plan ahead so you do not get caught in a storm.

THINKING OF SOLAR?

Visit www.rock.coop and/or contact Rock Energy if you are.

SCAN ME

If you're thinking about installing a solar generation system on your property, make sure to learn all the facts before signing a contract.

Visiting our website is a great place to get started as you begin gathering information, just go to www.rock.coop/distributed-generation, or scan the QR CODE in the picture above. Click on the SOLAR/WIND HOME OR BUSINESS header link and from there you will find our Solar 101 video, which

gives you an overview of solar power generation.

Also, if you click on the DEVELOPERS & CONTRACTORS header link, you and your potential vendor will find detailed information such as our technical requirements, a step-by-step procedural checklist, and rate information.

Should you have any questions after reviewing this information, please call us at 866-752-4550 or email DG@rock.coop.

VIDEO: SOLAR 101

These days, it seems like news about "Solar Energy" is everywhere - in newspapers, TV, and on social media. If you're thinking of adding any type solar equipment at your home or business, but want to know more about it first, our Solar 101 video is a good place to start to learn some of the basics before you make a decision.

To watch the video, go to www.rock.coop/info-videos, or scan the QR CODE above.

REC OFFICES CLOSED 4th OF JULY

Rock Energy offices will be closed and REC personnel will be out on Monday, July 4, in observance of Independence Day.

Members can make payments in the drop boxes at both offices throughout the holiday weekend and at the payment kiosk outside our South Beloit office, 15229 Willowbrook Road. Even though our offices are closed, standby crews are available. If you need to report a power outage or a natural gas incident, please call 866-752-4550.
