# Energy Assistance Available For Low-Income Households

The Wisconsin Home Energy Assistance Program (WHEAP) helps eligible low-income households pay for winter energy services. Fortunately, Rock Energy Cooperative works with WHEAP, which benefits about 230,000 Wisconsin households each year.

## Weatherization Services

When you apply for energy assistance, the local agency also will see if you qualify for the Weatherization Assistance Program, which helps fund energy-efficiency and home improvement projects. If you are eligible for weatherization services, an energy auditor will look at your home to see what can be done to make it more energy efficient. Weatherization services differ with each home, depending on how it was built and its condition.

For general information about WHEAP or the Weatherization Assistance Program, visit [www.energyandhousing.wi.gov](http://www.energyandhousing.wi.gov), or call 866-HEATWIS (866-432-8947).

To apply for assistance, you'll need to complete an application and provide information on each household member and their income, as well as records of your heating costs. For more information, please contact your local office:

- **Rock County:** 608-363-9200, Energy Services Inc., 600 Henry Ave., Suite 25A, Beloit.
- **Green County:** 608-328-1111, Energy Services Inc., 749 10th Ave. Ct., Monroe.
- **Walworth County:** 262-427-8505, Energy Services Inc., 319 N. Wisconsin St., Elkhorn.
- **Dane County:** 608-267-8601, Energy Services Inc., 2817 Fish Hatchery Rd., Ste. 2, Fitchburg.

## WHEAP Income Guidelines for the 2025-2026 Heating Season
